Flood Forecasting Division Lahore

No. A-08/2025

Government of Pakistan

Ministry of Defence (Defence Division)

Pakistan Meteorological Department

Dated: 25-08-2025

SIGNIFICANT FLOOD WARNING **for River SUTLEJ**

Under the influence of a **well-marked monsoon low** over north Rajasthan, in synchronization with a westerly wave over Kashmir and adjoining areas, moderate rainfall has commenced over the upper catchments of the Sutlej River, both upstream and downstream of Bhakra and Pong dams. The prevailing weather system has the potential to produce **Very Heavy to Exceptionally Heavy rainfall** which, combined with releases from Indian dams, is likely to trigger **Exceptionally High Flood Level** in the Sutlej River at **Ganda Singh Wala** and **downstream** during the next 48 hours.

All concerned authorities are advised to take necessary measures to avoid any untoward situation during the forecast period.

Time: 1530 PST

Director General,
Pakistan Meteorological Services,
Islamabad.
